

Assignment - WHMIS Flash Card Symbols

In this assignment, you will create flash cards to help you remember the 10 WHMIS symbols and the 3 acronyms (HHPS, WHMIS, MSDS). This gives you 13 flash cards in total.

You will use both sides of each flash card, one side to show the picture and the other side to say what it is. In the case of the acronyms, one side will show the letters (ie. HHPS) and the other side will show what those letters mean. (ie. Hazardous Household Product Symbols)

Example:
